Tour Of Our Site

Diversity in Orlando

A magazine is a periodical publication, which can either be printed or published electronically. It is issued regularly, usually every week or every month, and it contains a variety of content.

Revival Clinical Research Team

Goal

1. To educate diverse groups of people on the importance and benefits of clinical trials in order to enhance healthcare for all.
2. Offer trials that affect diverse populations.
3. Partner with Sponsors/CRO's who can help us achieve these goals.

Trial Interest

- Cardiovascular (Heart Failure, Hypertension)
- Metabolic (Type 2 Diabetes, Obesity)
- Neurologic (Migraine)
- Vaccine
- Gastroenterology
